

DONATE TO CITY HARVEST'S 2017 HIGH HOLIDAYS FOOD DRIVE!

August 14 – September 15, 2017

PLEASE NOTE: Non-Kosher food will not be accepted for this food drive. Though the drive is until Sept. 15, 2017, all kosher honey must be collected by Monday, August 28, in order for it to be distributed in time for Rosh Hashanah.

More than half a million Jewish New Yorkers struggle to put kosher food on their tables. Help City Harvest ensure no one in our city goes hungry over the High Holidays.

Donate nonperishable, kosher foods and our fleet of trucks will pick up the donations and deliver them to kosher community food programs across the city.

Donated items require at least one of the following kosher certifications:

- tuna
- salmon
- sardines
- peanut butter
- beans
- nuts
