*St John's University Director of Athletics*

**Tuesday, March, 23, 2021 @ 7:30 PM**

*If you are a sports fan, it is always a treat to meet someone famous or important in the field of sports. Now's your opportunity!*

*Over the course of 30+ years, Michael "Mike" Cragg has overseen St. John's 17 varsity sports and nearly 350 student athletes. Prior to St. John's, Mike held many positions at the prestigious Duke University's Sports Program.*

*I know I have numerous questions ready for Mike and am quite sure you do too.*

*After a brief introduction, Mike will be available to answer our burning questions. After all, he works for the "Red Storm".*

*Please invite your friends from our neighboring shuls as well. Kindly email me at [shaffercharles1@gmail.com](mailto:shaffercharles1@gmail.com), or [joelr@msn.com](mailto:joelr@msn.com), to let us know whom you have invited.*
