Sisterhood Presents
Secrets of the Shanghai Ghetto

Presented by Helene Herman

Monday, Sept. 12, 2022 at 8 pm

Secrets of the Shanghai Ghetto concerns the outbreak of WW2 when Shanghai sheltered more Jewish refugees than any other place in the world and almost all survived. We learn the history of Jewish Shanghai from 1861 til the

Communist takeover in 1949, a story that many Americans do not know but one that is taught in China and Japan.

Helene Herman has been involved in lifelong learning since her 2014 retirement from a global marketing career. She lectures for adult learning programs on a variety of historical and cultural topics. She has a BA in Anthropology from NYU. Her background is in cultural anthropology. Helene is the Sisterhood President at Temple Beth Torah Sha'aray Tzedek in Tamarac, Fl.
